MEMORANDUM FOR: Director of Training and Education

VIA: Chief, []

25X1

FROM: []

25X1

SUBJECT: DDCI Remarks to []
[] Graduation on 26 August 1987

25X1

25X1

1. The DDCI has accepted your invitation to speak to [] 4-87 at their graduation dinner on 26 August 1987. We will arrange the administrative details enabling the DDCI to arrive here in the late afternoon, join the students for cocktails and dinner, address the students for about 20 minutes, and return to Washington the same evening.

25X1

2. Because the DDCI was personally at the center of the decision to join the Career Trainees from all four Directorates together early in their entrance training, we believe it would be most appropriate for him to review with these young men and women the reasons for doing so:

a. to give them some feeling for the military thinking process, given the continued reliance by both friendly and adversary countries on military options to support political objectives;

b. to familiarize them with the weapons and tactics used by guerrilla forces around the world;

c. to give the students some feeling for the Agency's capabilities and limitations in the unconventional warfare arena; and

d. to afford the students, before they go their separate ways in the Agency, some across the board personal acquaintanceship and trust with fellow junior officers.
